Key Highlights

Argenta Bank- en Verzekeringsgroep nv is a Belgian financial group founded in 1956. Headquartered in Antwerp, Belgium, the company operates as a mixed financial holding that oversees both banking and insurance services. Through its subsidiaries Argenta Spaarbank and Argenta Assuranties, the group offers a comprehensive range of retail banking and insurance solutions to individual customers. The banking arm focuses primarily on savings products and mortgage lending, while the insurance business covers life insurance, fire insurance, and other general insurance services. The company has a strong geographic presence in Belgium, the Netherlands, and Luxembourg. Argenta serves approximately one point seven million clients through a network of local branches and digital platforms. Its business model emphasizes simplicity, transparency, and long-term relationships with customers. The group also manages investment funds under the Argenta Fund label, with operations supported through its subsidiaries in Belgium and Luxembourg. Argenta maintains a cooperative and family-based shareholder structure and continues to focus on sustainable and community-centered financial services.
