Key financial ratios related to profitability, asset turnover, credit, market, and long-term solvency are outlined, providing guidance for investment decisions. Furthermore, the report compares National Bank for Foreign Economic Activity of the Republic of Uzbekistan's financial parameters with those of its competitors, offering a unique analysis of the competitive landscape. This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by National Bank for Foreign Economic Activity of the Republic of Uzbekistan enhancing awareness of the company's business trends, growth perspectives, and more.

### Key Highlights

The National Bank for Foreign Economic Activity of the Republic of Uzbekistan (NBU) was established in September 1991 by decree of the first President of Uzbekistan, Islam Karimov. It began operations in October 1991 and was later transformed into a Joint-Stock Company following a presidential decree in November 2019. Its owners include the Ministry of Economy and Finance of Uzbekistan and the Fund for Reconstruction and Development. The bank is headquartered in Tashkent, at Amir Temur Avenue, 101. NBU operates as a universal commercial bank serving both corporate and retail clients. It plays a major role in financing large investment projects in strategic sectors with foreign credit lines and international capital. Its services include trade and export financing, letters of credit, corporate lending, and investment banking focused on securities issuance and placement in both domestic and foreign markets. The bank also provides banking services to small businesses and private entrepreneurs, retail banking services, and financial advisory and information support for foreign economic activities. Additionally, NBU is active in applying innovation and digital technologies to improve its retail service offering. It is expanding its products and service channels via information and communication technologies, and it aims to diversify its funding sources especially through long-term national currency instruments. NBU's operations also extend to supporting export potential, consulting to exporters, and expanding the geography of its business in Uzbekistan and in foreign economic activity.
