providing guidance for investment decisions. Furthermore, the report compares Bank of Kunlun Co Ltd's financial parameters with those of its competitors, offering a unique analysis of the competitive landscape. This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by Bank of Kunlun Co Ltd enhancing awareness of the company's business trends, growth perspectives, and more.

### Key Highlights

Bank of Kunlun Co., Ltd. (hereinafter referred to as Bank of Kunlun or the Bank), formerly known as Karamay City Commercial Bank, was established in 2006 and is headquartered at Xinjiang, China. The Bank was controlled by China National Petroleum Corporation (CNPC) following its subscription of new capital in April 2009. The Bank operates through several key financial segments: Retail Banking, Corporate Banking, and Treasury. The Retail Banking segment offers a comprehensive range of personal financial services, including savings accounts, personal loans, mortgages, and credit cards, catering to individual customers' financial needs. The Corporate Banking segment provides tailored solutions for small and medium-sized enterprises (SMEs) and corporate clients, such as business loans, trade finance, and cash management services, supporting their operational and expansion requirements. Additionally, the Treasury segment manages the Bank's liquidity, investments, and funding, handling money market operations, foreign exchange, and interest rate risk management to maintain financial stability and optimize performance. Primarily operating within China, Bank of Kunlun also extends its services to international markets, reflecting its commitment to serving a diverse customer base and contributing to both regional and global financial markets.
