providing guidance for investment decisions. Furthermore, the report compares ICA Gruppen AB's financial parameters with those of its competitors, offering a unique analysis of the competitive landscape. This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by ICA Gruppen AB enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

ICA Gruppen AB is a leading Nordic retail and service company headquartered in Solna, Sweden. Founded in 1938, the company has grown into a diversified group with operations across grocery retail, pharmacies, banking and insurance, specialty goods, and real estate. ICA Gruppen serves millions of customers in Sweden and the Baltic countries, including Estonia, Latvia, and Lithuania, through a network of physical stores and digital platforms. The company operates through several key business segments. ICA Sweden forms the core of the business, combining wholesale and retail operations with a focus on convenience, local adaptation, and a broad range of products. Rimi Baltic manages retail operations in the Baltic countries, ensuring accessible and customer-friendly shopping experiences. Apotek Hjärtat represents the pharmacy business in Sweden, providing prescription medicines, health products, and advisory services. ICA Real Estate manages and develops properties to support the group's retail operations, while ICA Bank offers banking and insurance solutions that complement the company's integrated service approach. With a strong focus on customer-centric solutions, sustainability, and operational efficiency, ICA Gruppen leverages local market knowledge, digital innovation, and collaboration across its businesses to maintain a leading position in the Nordic retail and service sectors.
