providing guidance for investment decisions. Furthermore, the report compares Bajaj Finserv Limited's financial parameters with those of its competitors, offering a unique analysis of the competitive landscape. This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by Bajaj Finserv Limited enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

Bajaj Finserv Limited, founded in 2007 following its demerger from Bajaj Auto Limited, is a leading Indian financial services company headquartered in Pune, Maharashtra. The company focuses on delivering diversified financial solutions across lending, insurance, payments, and investment segments, serving both individuals and businesses. With a strong emphasis on digital transformation, Bajaj Finserv operates through its app, website, social media, and pan-India branch network, providing seamless access to financial products. The company's business segments include consumer lending, SME and commercial lending, rural finance, mortgages, gold loans, and digital payment solutions. Bajaj Finserv also offers insurance products through its life and general insurance arms, mutual funds, and fixed deposits, making it a comprehensive financial ecosystem. It has actively leveraged technology, with over 38 cumulative in-app programmes, 187.4 million Bajaj Mall visits, and 603 million in personal loans disbursed digitally in FY2025. As India's largest private-sector Non-Banking Financial Company (NBFC), Bajaj Finserv emphasizes financial inclusion and sustainable growth through its Environmental, Social, and Governance initiatives. Its continued innovation and digital-first approach have enhanced customer engagement, operational efficiency, and nationwide reach, enabling millions of customers to meet their financial needs efficiently.
