providing guidance for investment decisions. Furthermore, the report compares Bank of Nanjing Co. Ltd's financial parameters with those of its competitors, offering a unique analysis of the competitive landscape. This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by Bank of Nanjing Co. Ltd enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

Bank of Nanjing Co., Ltd. was founded in 1996 and is headquartered in Nanjing, Jiangsu Province, China. From its origins as a city commercial bank, it has grown into a fullservice regional bank with nationwide reach and a strong presence in the Yangtze River Delta economic region. The bank operates across business segments including corporate banking, retail banking, treasury operations, microfinancing, wealth management and other services tailored to both enterprises and individual customers. Its headquarters is located at 288 Zhongshan Road, Xuanwu District, Nanjing, postal code 210019. Over time, the bank has expanded its branch network and diversified its operations to meet the evolving needs of clients and support local economic development in China. The bank serves large corporate clients by offering deposits, loans, settlement and traderelated products, supports small and medium enterprises with tailored credit and settlement services, and provides individual customers with deposits, consumer credit, personal asset management and digital banking platforms. With its regional focus anchored in Jiangsu Province and coverage extending into other major Chinese economic zones, the bank has established itself as a significant player in China's commercial banking sector.
