providing guidance for investment decisions. Furthermore, the report compares PKO Bank Polski SA's financial parameters with those of its competitors, offering a unique analysis of the competitive landscape. This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by PKO Bank Polski SA enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

PKO Bank Polski SA, established in 1919, is one of the oldest and most influential financial institutions in Poland. Headquartered in Warsaw, it has evolved from a state owned savings institution into a modern universal bank with a strong competitive position in the domestic market. Over more than a century of operations, the bank has built a broad service network supported by more than 800 branches across the country, complemented by advanced digital platforms that serve millions of customers. The bank maintains an expanding international presence through branches in Germany, the Czech Republic, Slovakia and Romania, allowing it to support cross border financing and corporate activities in Central and Eastern Europe. As the parent of a large capital group, PKO Bank Polski SA oversees subsidiaries involved in leasing, asset management, brokerage and insurance, strengthening its role as a diversified financial services provider. Operationally, the bank generates revenue through its key business segments, which include retail banking, corporate and investment banking and transfer center operations. In 2024 it delivered strong financial performance with total interest income exceeding 30 billion PLN and maintaining its position as a leading institution in the Polish finance sector.
