### Key Highlights

Power Finance Corporation Ltd. (PFC), incorporated on July 16, 1986, is a Schedule-A Maharatna Central Public Sector Enterprise (CPSE) and one of India's leading non-banking financial corporations. Headquartered in New Delhi, with regional offices in Mumbai and Chennai, PFC operates under the administrative control of the Ministry of Power and has been classified as an Infrastructure Finance Company by the Reserve Bank of India. Since being conferred the Maharatna status in 2021, the company has solidified its position as a dominant financial institution in the power and allied infrastructure sectors. PFC's core business revolves around providing long-term, medium-term, and short-term loans to central and state power utilities, private power producers, and companies involved in power infrastructure and logistics. Its operations extend across the full value chain of India's power sector, supporting project development, expansions, and upgrades. The company is also a key financier of renewable energy, backing approximately 60 GW of capacity, making it the largest renewable energy financier in the country. Financially, PFC maintains a robust loan book with strong asset quality, reflected in total loan assets of 1,55,155 crore in FY 2024-25, up from 1,34,289 crore in the previous year. Total revenue for FY 2024-25 stood at approximately 531,277.6 million, with net NPAs at a minimal 0.38% compared to 0.85% in FY 2023-24. Consolidated net worth reached 30,514 crore, reflecting a 15% growth year-on-year, while consolidated PAT grew by 15%. These figures underscore PFC's strategic importance and operational efficiency, reinforcing its role as a trusted partner in driving India's power sector growth sustainably and responsibly.
