### **Table of Contents:**

Plimsolls Roofing & Cladding Products (UK) analysis is the most definitive and accurate study of the Roofing & Cladding Products (UK) sector in 2017.

The report is split into two sections and uses both a written and graphical analysis - analysing the 530 largest Roofing & Cladding Products (UK) companies.

The Roofing & Cladding Products (UK) report contains the most-up-to-date financial data and Plimsoll applies these figures to create their unique and authoritative analysis.

Indeed, the first section thoroughly scrutinises the market and this section includes the following:

- Best Trading Partners: These are companies that are winning in both sales and financial strength - for example BURTON ROOFING MERCHANTS LTD has been ranked as a best trading partner in the industry.
- Sales Growth Analysis: This section reviews the fastest growing and fastest shrinking company - for example FIRTH STEELS LTD is among the fastest growing.
- Profit Analysis - Analysis of gross profit and pre-tax profit over the last ten years and a profitability summary comparing profits in the industry against small, medium and large companies.
- Market Size: Based on the largest 530 companies, this is a comparison between last year's market size and the most current figure (This year the market has increased by 0.2%).
- Rankings: The top 50 companies ranked by: Market Share, Sales Growth, Gross Profit and Pre-tax Profit.

The next section focuses on company analysis and provides an in-depth analysis of the largest companies within the Roofing & Cladding Products (UK) industry.

Each business is analysed using Plimsolls unequivocal model and culminates in the production of the Plimsoll Chart. The Plimsoll Model uses a series of charts to graphically analyse an individual company and measure its ability to achieve sales growth while maintaining financial strength.

The Plimsoll Chart is a quick and dependable method of analysing a company's financial well-being. It's simple to understand: a rising line is good news and a falling line is bad news.

Therefore, this company analysis will tell you if a company is:

- Strong or heading for failure
- Utilising their investments
- Becoming burdened by debt
- Getting the most from their resources

The Plimsoll Roofing & Cladding Products (UK) analysis also provides you with full business name and address, name and ages of directors and registration address.
