The Plimsoll Chart is a quick and dependable method of analysing a company's financial well-being. It's simple to understand: a rising line is good news and a falling line is bad news.

Therefore, this company analysis will tell you if a company is:

- Strong or heading for failure
- Utilising their investments
- Becoming burdened by debt
- Getting the most from their resources

The Plimsoll Watersupply (with and without external supply) (GERMANY) analysis also provides you with full business name and address, name and ages of directors and registration address.
