The profile also contains descriptions of the leading players including key financial metrics and analysis of competitive pressures within the market.

#### Key Highlights

- The hotels & motels industry includes establishments that provide paid lodging and full guest services, typically with a continuous staff presence. In the case of motels, this includes off-street parking facilities, but not necessarily meal services. The industry is detailed in both value and volume terms.
- The Egyptian hotels & motels industry recorded revenues of \$4.6 billion in 2024, representing a negative compound annual growth rate (CAGR) of 5.9% between 2019 and 2024.
- The number of establishments in the industry increased with a CAGR of 0.5% between 2019 and 2024, reaching a total of 1,234.0 in 2024.
- In 2024, the Egyptian hotels & motels industry experienced an annual contraction of 12.6%?primarily driven by exchange rate disruption. The industry rebounded in local currency terms, supported by stable consumption and a gradual adoption of new fashion trends. However, when measured in US dollar terms, the market recorded a contraction, primarily due to the depreciation of the Egyptian Pound, which significantly reduced the value of revenues.
